OFFICE OF PETITIONS

S I R:

The present United States application is based on an earlier-filed PCT application. In the previously filed PCT application, one of the inventors is identified with the Paul Knee-Forrest. Between the time that the PCT application was filed and the time of entry into the United States National Examination Phase, Mr. Knee-Forrest became a citizen of the Czech Republic and was required by the national law of the Czech Republic to adapt his name. Mr. Knee-Forrest therefore changed his name to Pavel Knee, which is the name that was used on the Declaration filed in the United States Patent and Trademark Office on March 16, 2006.

In a Decision dated September 20, 2006, a requirement was made to submit the present Petition, including a Declaration as required by MPEP §605.04(c).

The present Petition is therefore being submitted, together with the Declaration of Pavel Knee explaining the name change and the reason therefor.

As noted in the Decision, it has been confirmed that all pages of the Declaration were presented to each of the inventors, and the previously-submitted Declarations were submitted as they were executed by the inventors.

Applicants herewith request an extension of time of four months for responding to the Decision dated September 20, 2006, so that the response date is extended from November 20, 2006 to March 20, 2007. This Request is accompanied by a check in the amount of \$1,590.00 for the requisite fee.

This Petition is also accompanied by a check for the requisite fee as required by 37 C.F.R. § 1.17(f) in the amount of \$400.00. Granting of the present Petition is respectfully requested.
